

Multi-language Noh subtitle is available

Don't forget to install the subtitle app!

- ✓ Please be sure to download and install the "G-Marc" subtitle app before the performance begins from either App store or Google play or from the QR code below.

- App Store
- Google Play

- ✓ If a message appears indicating that the G-Marc app is requesting permission to access your microphone, please approve it.
- ✓ Click to download the contents.

Once you installed the Apps

- ✓ Once you enter the place where Noh is held, the system will automatically start.
- ✓ The explanation will be scrolled automatically with following the Noh- play
- ✓ Subtitles and guidance are provided in Japanese and English, you can switch the screen to your preferred language by swipe the screen from right to left.
- ✓ In addition to basic information that makes it easy to follow the story performed on the stage, Noh Support also explains the main points of interest of each play. You'll be able to learn the background of each Noh play and the reasons why these works have been enjoyed by the public for centuries.
- ✓ If you have any trouble please ask the staff.
- ✓ Do not touch the home button during the play.
